February 23 at 7:30 pm @ WB Ranch Swanton OH
Food Booth will be open.

Electric Policy!

YEDA will adhere to a very strict policy for the rest of YEDA show season **“No one can plug anything into any facility outlet”**. If a team or individual needs to plug in a truck, trailer or camper a hookup fee will be charged, which must be paid ahead of time in the YEDA office, once paid a permit will be given as proof of purchase. Hook up fees vary depending on location and charged per night. Generators are prohibited in and near the arena. You are welcome to bring a camper or horse trailer and park it in the camping area to house your generator and the items you plan to run off your generator. There will be a \$100 fine for generators outside designated areas or for plugging items in not in the camping area.

Many teams enjoy planning and bringing their team food to the shows and you can still do this but with a camper or trailer hook up fee and keep all your feasts appliances, crock pots, and food inside. We hope you will understand that we are not trying to be difficult but we must be respectful of the facilities that we are using and continue to show there for many years. Please pass this information along to your teams. We are looking forward to having great shows that are fun and educational for all our exhibitors.

Thank you Show Management

Electric Policy!

YEDA will adhere to a very strict policy for the rest of YEDA show season **“No one can plug anything into any facility outlet”**. If a team or individual needs to plug in a truck, trailer or camper a hookup fee will be charged, which must be paid ahead of time in the YEDA office, once paid a permit will be given as proof of purchase. Hook up fees vary depending on location and charged per night. Generators are prohibited in and near the arena. You are welcome to bring a camper or horse trailer and park it in the camping area to house your generator and the items you plan to run off your generator. There will be a \$100 fine for generators outside designated areas or for plugging items in not in the camping area.

Many teams enjoy planning and bringing their team food to the shows and you can still do this but with a camper or trailer hook up fee and keep all your feasts appliances, crock pots, and food inside. We hope you will understand that we are not trying to be difficult but we must be respectful of the facilities that we are using and continue to show there for many years. Please pass this information along to your teams. We are looking forward to having great shows that are fun and educational for all our exhibitors.
