## WHAT IS YEDA?

**Youth Equestrian Development Association, Inc (YEDA)**  
is a program that encourages the development of riders'  
skills, emphasizes exposure to scholarship opportunities,  
and encourages making connections with college  
programs.

**Our mission is to provide an equestrian riding program  
for youth students, via both instructional and experiential  
learning opportunities. To accomplish this we will  
engage in equestrian competitions, instructional clinics,  
networking events and occasions for recruitment that  
includes but not limited to scholarship disbursements.**

**The SIF is designed specifically to give a helping hand  
to our student riders. This will fulfill their dream of  
continuing their riding at a collegiate level.**
