Payment

- Please make checks payable to 'YEDA'.
- Any 'Adds' must be accompanied by payment

Rent and/or Provide a Horse

One horse is required for every six rides. For example, one rider competing in both rail and pattern class will equal two rides.

If you are unable to provide enough horses to meet the needs of your entries, you may rent rides at the cost of \$20 each.

Going forward, you will find attached at the end of the showbill a summary of charges. Please utilize this document to calculate the amount owed for both entries and rental of rides if needed.

Please take note the **height/weight (Ht Wt)** notification box. If your rider is over **150 lbs or over 5'5"** please check this box. This same column is also offered on the **horse description page to note which horses need to be height/weight horses**. Horses who are height/weight horses are horses whom it is bad for their health or carry a rider of that size or the rider would be at a disadvantage to ride a mount like that (example a very tall rider on a very short pony).
