need to be more authoritative
 remember pattern placement on movement
 ride past center marker & end
 pattern placement on 2nd set of circles-improve
 shorter reins to have more constructive guide
 pattern placement on 2nd set of circles
 and set of circles
 better pattern placement on 1st set of circles
 did not pass center marker on 1st ride in prior to stop
 need more connection w/ horse, better placement on circles

Circled penalties are deemed due to horse not rider and will not appear in the final score.

Maneuvers and Overall Ability are scored +1 1/2 to -1 1/2 in 1/2 point increments.

Riders need to be scored through their entire pattern, if they go off pattern consider that a severe penalty and they should be placed lower than other riders

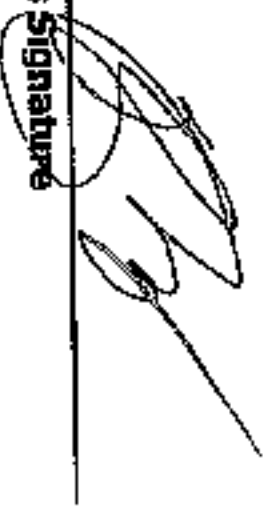

who stayed on pattern.
