WHAT IS YEDA?

Youth Equestrian Development Association, Inc (YEDA) is a program that encourages the development of riders' skills, emphasizes exposure to scholarship opportunities, and encourages making connections with college programs.

Our mission is to provide an equestrian riding program for youth students, via both instructional and experiential learning opportunities. To accomplish this we will engage in equestrian competitions, instructional clinics, networking events and occasions for recruitment that includes but not limited to scholarship disbursements.

The SIF is designed specifically to give a helping hand to our student riders. This will fulfill their dream of continuing their riding at a collegiate level.

Yes, I would like to be a sponsor of the YEDA Scholarship Incentive Fund!
