Due to the unique nature of this season from the national shut down due to Covid 19, the last few regular season shows were cancelled. Being aware that these canceled shows affected national qualifiers' outcome, a new compromised way to determine qualifiers was determined. To be fair to all teams for the 2019-2020 Season, National Qualifiers were organized by inviting teams from three lists. These lists highlighted the top teams from lists that considered teams' top 10 judges as viewed on our database and how qualiferis would have been determined. However we have also invited top teams when averaging teams top 8 and top 6 judges.
