WHAT IS YEDA?

Youth Equestrian Development Association, Inc (YEDA)
is a program that encourages the development of riders'
skills, emphasizes exposure to scholarship opportunities, and
encourages making connections with college programs.

Our mission is to provide an equestrian riding program
for youth students, via both instructional and experiential
learning opportunities. To accomplish this we will engage
in equestrian competitions, instructional clinics, networking
events and occasions for recruitment that includes but not
limited to scholarship disbursements.

The SIF is designed specifically to give a helping hand to
our student riders. This will fulfill their dream of continuing
their riding at a collegiate level.
