YEDA Individual Placement Form Rule

In order to compete in YEDA shows, an individual member showing YEDA must submit a completed YEDA Individual Placement Form to the Team Coach who will sign and forward it to the CFO, listed below prior to the Member's first show. Coaches are responsible for accurately evaluating a rider in the appropriate division. An Individual Placement Form must be retained annually for the entirety of student's eligibility.

NOTE:

1. *Because of the yes/no format of this form, the questions in each section are not intended to always match the class description of the same section. Rather, a "yes" answer in one section is, in many cases, an affirmation of the rider being over-qualified for the class description in the next lower class.)*
2. *For those students coming to YEDA from another team riding national organization that places their riders in divisions based on experience those students must compete in the equivalent division equal or greater than that division they have completed.*

All class descriptions refer to the guidelines specified in Rule R33.
