Rent and/or Provide a Horse

One horse is required for every six rides. For example, one rider competing in both rail and pattern class will equal two rides.

Per Rule 12.05 C Split Combined Show: Teams are required to bring one (1) horse for every nine (9) entries, unless the host team reduces the team's horse entry ratio because of space or entry limits. Horses that are considered height weight horses as defined (R16.01-C) will only be eligible to cover six (6) entries.

Rented ride fees are not refunded after the close date.

If you are unable to provide enough horses to meet the needs of your entries, you may rent rides at the cost of **\$40 each**.

Height/Weight:

Please take note the height/weight notification box. The show committee will follow the YEDA rulebook suggestion for Height/Weight riders. The limits for **slight/older horses will be 5'9" – 160#**. Height weight for **Horses/Ponies 13.3 to 14.2 it is 5'5" – 135#**. If the rider exceeds these either of these limits please mark the appropriate check box on the entry form. This will bring the rider to attention so that the riders height and weight can be observed in the database.

This same column is also offered on the **horse description page to note which horses need to be height/weight horses**. Horses who are height/weight horses are horses whom it is bad for their health or carry a rider of a size greater than 5'9" and/or 160#. Or a horse/pony between the size of 13.3 – 14.2, will have the limits of 5'5" – 135#.

The Diamond Elite class will be offered at this horse show. Teams who qualify to participate will be based on the top teams who are attending the show according to the posted online points as of the entry due date (December 30, 2023). Those teams will receive an email invitation before the show explaining that they have qualified to participate in the Diamond Elite class. If a team who has qualified chooses not to participate then the invitation will be offered to the team in in line according to points as of the due date of the show.
